- (a) The proposition language that will appear on the ballot, the purposes for which the bonds are to be authorized, and the principal amount of the bonds to be authorized, are set forth in this Order.
- (b) If the bonds are authorized, taxes sufficient to pay the annual principal of and interest on the bonds may be imposed, without limit as to rate or amount.
- (c) Based upon the bond market conditions at the date of adoption of this Order, the maximum interest rate for the bonds or any series of the bonds is estimated to be 4.47% as calculated in accordance with applicable law. Such estimate is based on applicable city consent ordinances which currently limit the net effective interest rate of the District's bonds to not more than two percentage points in excess of the highest rate reported by the Daily Bond Buyer in its weekly "20 Bond Index" during the 30-day period next preceding the date notice of sale of such bonds is first published, and on various assumptions relating to factors that contribute to the interest rates, current taxable values and historical growth in the issuance schedule and maturity schedule for the bonds. The estimated maximum rate is provided for informational purposes only accordance with Section 3.009(b)(5) of the Texas Election Code and could be affected by material changes in assumptions used, including future economic and legal changes that are beyond the control of the District. The estimated maximum interest rate provided herein is not a limitation on the interest rate at which the District may request approval of the Texas Commission on Environmental Quality ("TCEQ") or any successor agency to issue the bonds, or any series thereof, or the interest rate at which the bonds or any series thereof, may be sold. Such estimate does not create a contract with the voters, does not supersede or amend the proposition(s) to be presented, and is not part of the proposition(s) to be voted on.
- (d) The bonds may be issued to mature over a specified number of years not to exceed the maximum number of years authorized by law.
- (e) The aggregate amount of the outstanding principal of the District's debt obligations as of the date of this Order is \$0.00 and the aggregate amount of the outstanding interest on debt obligations of the District as of the date of this Order is \$0.00.

- (f) The ad valorem debt service tax rate for the District at the time the election is ordered, expressed as an amount per \$100 valuation of taxable property, is \$0.00 per \$100 of taxable assessed valuation.

Section 10: The provisions of this Order are severable; and in case any one or more of the provisions of this Order or the application thereof to any person or circumstance should be held to be invalid, unconstitutional, or ineffective as to any person or circumstance, the remainder of this Order nevertheless shall be valid, and the application of any such invalid provision to persons or circumstances other than those as to which it is held invalid shall not be affected thereby.

Section 11: The Board of Directors may cancel the election if allowed in accordance with the Texas Election Code.

Section 12: The Montgomery County Elections Administrator shall serve as the custodian of voted ballots and all other election records. The Montgomery County Elections Administrator shall conduct an unofficial tabulation of results after the closing of the polls on November 7, 2023. The official canvass and tabulation of results of the Election shall be conducted in accordance with the Election Code.

Section 13: The President or Vice President and Secretary or Assistant Secretary of the Board of Directors are hereby authorized and directed to take any action necessary to carry out the provisions of this order.

Section 14: In the event that the election results favorably for the propositions submitted, the Board shall thereafter be authorized to issue \$5,000,000 in bonds and \$5,000,000 in refunding bonds of the District for the provision of waterworks facilities for the District, payable from taxes, on the terms and conditions described the Propositions voted in the election.
